

REMARKS

By this paper, independent claim 1 has been amended. Claims 1-25 remain pending.

In the Office action dated April 30, 2007, the Examiner stated that original claims 1-15 are drawn to a non-elected invention and as such, the election by Applicant is considered to be non-responsive. Accordingly, independent claim 1 has been amended so that claims 1-15 now clearly read on the elected species of Figures 1, 3 and 7. As such, it is believed that the Applicant has now provided claims 1-15 which are readable on the elected species.

Respectfully submitted,

FULWIDER PATTON LLP
